

Endeavour Harmony Chorus new member intake July 2017

Hi !

Thank you for your interest in joining Endeavour Harmony Chorus! We love having new members and we'll be holding one more new member intake this year, in July.

The process starts with an initial voice analysis in June.

This is a new step we've introduced to allow us to hear you before we meet you!

It involves learning a very short piece of music by ear, that you access online. It's not too scary - promise!

This initial step is a way for us to know about your *potential*, and the type of voice you have. In particular, we are looking for:

- A reasonably straight voice (not too much vibrato).
- Clear tone and lyrics.
- Tuning is reasonably good.

Here is what to do:

Follow this [link](#) to the folder containing the 'Friends' TAG.

Open the instructions first and read them thoroughly. From there it is self explanatory.

We wish you every success!

All the best,

Lea Baker
Endeavour Harmony Chorus
