## **Endeavour Harmony Chorus on way to next Australian National Competition in Hobart**

Following their appearance in the 2018 International Competition in St Louis Missouri in October 2018, Endeavour Harmony Chorus is now preparing for the Australian Regional Acappella championships being held in Hobart on the 18th May 2019.

On stage in St Louis in 2018, the group of 83 women, representing the Sutherland Shire and Australia, performed a package of two songs: *Love Letters Straight From Your Heart* and *My Honey's Lovin' Arms*. The eight international judges scored them in the categories of Music, Sound, Expression and Showmanship. With only 6 minutes on stage to shine, it is crucial that they work hard and smart. In the lead up to International competition EHC spent a hectic 12 months of preparation, which included several weekend coaching workshops held by some of the leading International vocal and performance coaches.

One weekend coaching workshop in particular, held at Deer Park in the Royal National Park last August, was supported by a Community Grant received from Sutherland Shire Council.

A win in Hobart will ensure Endeavour Harmony an invitation to the 2020 International Sweet Adelines Contest in Louisville, Kentucky USA.

Endeavour Harmony Chorus is very active in the St George and Sutherland Shire communities, providing entertainment and performing for the community for instance:

- Performing with Sutherland Children's Choir at Engadine Community Centre
- Entertaining residents at Jannali Aged Care facility.
- Performing during Senior Citizens week at Caringbah Community Centre
- Performance for World Day of Remembrance for Traffic Victims at Woronora.
- Performance at the finish line for 2018 Sutherland to Surf fun run.

Endeavour Harmony Chorus is a place for ladies to find something special for themselves and join a group of women who sing for the love of it, but also provide friendship and harmony.

Here are some testimonials from current members:

Pam recalls it being a struggle to take on a challenging hobby with young children but says that the chorus *“provided a welcome relief from the household chores and 24 hour childcare”* and that having recently moved to Australia from the UK at that time, *“80 new female friends was an added bonus!”*

Maria said *“I really enjoy music and singing and it was time to focus on me as opposed to family and work. I so look forward to Tuesday nights!”*
